Description

Star Steel Door S001 by Star Doors - The Perfect Blend of Elegance and Strength

Elevate your home's security and aesthetics with the Star Steel Door S001 by Star Doors, backed by Elkhailil's unmatched warranty. This door features a robust 14 cm deep galvanized steel frame, fully clad with 1 mm thick Egyptian steel plating, ensuring high resistance to break-ins and long-lasting performance. The door's thickness is 10 cm, covered with a 10 mm Turkish natural wood veneer, offering a luxurious and modern touch to your entrance.

For enhanced security, the door is equipped with three Turkish DAF locks, an additional safety latch, a delivery bird latch, and four 18 mm thick hinges. The door also includes a peephole, three security bolts, and a safety lip, guaranteeing top-tier protection. Furthermore, it provides excellent thermal and acoustic insulation thanks to its internal rock wool filling. The free installation includes two foam bottles to ensure perfect door stability.

The Star Steel Door S001 can be fully customized to meet your specific needs, whether in terms of dimensions, the number of locks, or choosing the perfect opening direction (right or left). Weighing over 90 kg and with a 7-year warranty against manufacturing defects, this door is a long-term investment in your home's safety and beauty.
